BUR OAK #2

Eric Berning

Planted Spring 2022

**This bur oak tree is given in honor of the
Owners, Managers, Employees
& Volunteers
of the businesses and organizations
of Luverne and Rock County.**

**This bur oak is a time capsule of cool, comforting shade
that will span generations
and provide a lasting food source for wildlife.**

**The branches are firm and the roots are deeply planted
as are the people we honor.**

A gift from the Berning Family
